

ALPHAGEN

INTERNATIONAL SCHOOL
EMPOWERING NEXT-GEN THINKERS

A World-Class Journey Starts at Alphagen

BALANCED GROWTH THROUGH HOLISTIC LEARNING

Our Mission

Our mission is to provide transformative education that nurtures every learner from early years to adolescence. We foster creativity, critical thinking, and emotional intelligence in a safe, inclusive environment. Through value-based learning and a strong emphasis on sustainability, we empower students to become compassionate, responsible, and future-ready global citizens.

Our Vision

To revolutionize the Indian education system by delivering inclusive, equitable, and high-quality learning that nurtures rational, creative, and empathetic individuals — future-ready leaders who drive national growth, peace, and harmony through innovation and human values.

Founder's Message

At the heart of our institution lies the pioneering 2:1:1 educational model—a bespoke framework meticulously crafted to foster the holistic and harmonious growth of every student.

Two Hours of Cognitive Development:

We transcend traditional rote learning by cultivating profound conceptual understanding, advanced critical thinking, and an enduring intellectual curiosity. Our academic philosophy is designed to ignite a lifelong passion for knowledge and to empower students to engage meaningfully with the world around them.

One Hour of Emotional Intelligence:

Within a nurturing and supportive environment, we guide children in developing essential social skills, deep empathy, and robust emotional resilience. Our approach equips students to navigate life's complexities with confidence, compassion, and grace.

One Hour of Physical Cultivation:

We champion physical activity not merely for its health benefits, but as a vital avenue for instilling core values such as teamwork, self-discipline, and perseverance. Our programs encourage students to embrace challenges, celebrate effort, and foster a spirit of collaboration.

Associated Partner's K12 Techno services Pvt. Ltd.

As the driving force behind the Orchids group, K12 Techno Services provides the core educational and technological expertise for every school. This direct partnership guarantees your child experiences a consistently high-quality curriculum and cutting-edge technology, delivering on our promise of excellence across the entire network.

1 CHILD TEACHER BOOK PEN *Can change the World*

Levelled Learning

- Activities designed to take the students from known concepts to unknown concepts.
- Inclusive of reinforcement activities.
- The books are designed using Bloom's Taxonomy approach.

Lexile levelling in English

- Lexile level or a Lexile Measure is a popular and valuable tool used by schools to measure a student's reading ability.
- It serves two unique functions: it is the measure of how difficult a text is OR a student's reading ability level.

The Levels

Features of the Books

Our books help in developing the 21st Century skills

Learning Skills

- Critical Thinking
- Creativity
- Collaboration

Literacy Skills

- Information Literacy
- Media Literacy
